

This newsletter provides the latest updates from the EnABLE trust fund and related social inclusion work. This issue includes recent highlights from October to December 2021, as well as details of upcoming publications and events.

SPOTLIGHT

- Third meeting of the EnABLE interim Steering Committee was convened virtually on October 5th, 2021. The Communication and Visibility Strategy was agreed and the Annual Work Plan and Budget for FY22 was endorsed.
- “Indigenous Land Rights – a Critical Pillar of Climate Action” [blog](#) was posted in November 2021.
- Study on [Collective Land Tenure](#) led by FMT and conducted by the RRI and GLA was published, and two webinars were organized within the framework of the *Social Inclusion in Climate Finance* Knowledge Series in November 2021.
- FCPF PC/PA Knowledge Day Session on “Collective Land Tenure and REDD+: Challenges and Opportunities”, based on several studies related to land tenure in REDD+ context, was held in December 2021.
- EnABLE key principles and priorities were presented to FCPF Participants Assembly in December 2021.

UPCOMING PUBLICATIONS, WEBINARS AND EVENTS

- Publication of study on “Behavioral Science Approach to Empowering Women in Forest Landscapes” – with two pilot studies conducted in Nepal and Mozambique financed by FCPF and conducted by the Poverty and Equity GP – expected in February 2022.
- Publication of study and webinar on “Gender Equity in Land Tenure in FCPF Countries” financed by FCPF, led by FMT, and implemented by Resource Equity – expected in February 2022, as second installation of the *Social Inclusion in Climate Finance* knowledge series.

- Development of a Social Inclusion Strategy and Action Plan jointly with CIFOR is underway. It will be a strategic document that guides social and gender inclusion programming of EnABLE to support inclusion under CERF's Pillar 1: Natural Climate Solutions.
- Publication of study on "Good Practices of Gender Integration in DGM" financed by FCPF, managed by ENB GP and implemented by CI – expected in February 2022.

EnABLE COUNTRY KNOWLEDGE AND CAPACITY-BUILDING PROGRAMMING: SUMMARY OF PROGRESS

- The EnABLE interim Steering Committee allocated US\$ 1.568 million for Knowledge and Capacity-Building Programming (Phase 1 activities) to the SSI GP. These funds will be used to understand the demand, identify related needs and interests of the target beneficiaries, identify existing entry points to amplify their inclusion in implementation of the Benefit Sharing Plans and FCPF Emission Reductions Programs, and design and conduct consultations on EnABLE country programs on social inclusion.
- As of December 31, 2021, US\$ 1.098 million has been committed for Country Knowledge and Capacity-Building Programming (bank-executed activities) in 11 countries.
