ANNOTATIONS FOR CF31

All background documents are available on the [CF31 page of the FCPF website](#).

Session 2a. Update on Carbon Fund Progress Since CF30

Background: The FMT will present progress made under the Carbon Fund since CF30, including updates on ER payments, social inclusion, MRV, registry, communications, and knowledge management.

Background documentation: A presentation will be available on the CF31 page.

Expected CFP Action: CFPs are invited to take note of the presentation and request clarification if needed.

Session 2b. Portfolio management update

Background: The FMT will present an overview of the programs in the FCPF Carbon Fund portfolio and the financial status and ERPA commitments, including an update on the status of the signed ERPAs.

Background documentation: A presentation will be available on the CF31 page.

Expected CFP Action: CFPs are invited to take note of the presentation and request clarification if needed.

Session 2c. Excess ER Monetization and Article 6 transaction readiness

Background: The FMT will provide CFPs with a portfolio level update on efforts to monetize Excess ERs as well as an update on requirements and readiness for Article 6 transactions, while FCPF countries will present on their individual country's monetization work.

Background documentation: An initial presentation will be available on the CF31 page.

Expected CFP Action: CFPs are invited to take note of the presentation and request clarification if needed.

Session 2d. Viet Nam ER Program presentation & Field Trip overview

Background: FMTCF31 host Viet Nam will present its ER Program, focusing especially on BSP implementation and the closing process. It will also share details on the next day's field trip, including any special or unique program components that will be shown and sites that will be visited.

Background documentation: No background material available.

Expected CFP Action: CFPs are invited to take note of the presentation and request clarification if needed.

Field Visit

Background: A field visit will be organized for CF31 participants to visit locations of relevance to the Viet Nam ER Program.

Background documentation: Any documents, including logistical information, for this field visit will be

shared separately.

Expected CFP Action: CFPs are invited to actively participate in the field visit.

Session 2e. Reflections on field visit – Implications for Viet Nam program and broader portfolio

Background: Following the field visit, the Viet Nam Program Implementation Unit and World Bank task team will moderate a session to reflect on the field visit and extract findings and lessons to be shared with other programs in the FCPF portfolio.

Background documentation: No background material available.

Expected CFP Action: CFPs are invited to actively participate in the discussion.

Session 2f. Post-FCPF programming & FCPF-SCALE Transition

Background: The FCPF FMT and SCALE PMT will jointly facilitate a session on the transition of FCPF programs to different standards (e.g., ART, Verra) and possible support in this process from FCPF and/or SCALE, with presentations and interventions by FCPF countries and observers.

Background documentation: An initial presentation will be available on the CF30 page.

Expected CFP Action: CFPs are invited to participate in the session.

Session 2g. ER Title Transfer Legal Support for Countries and Carbon Legal Toolkit

Background: The FCPF FMT will present developments on the Carbon Legal Toolkit available to countries and reflect on lessons learned and challenges experienced in the legal and regulatory frameworks for the monetization of credits.

Background documentation: A presentation will be available on the CF31 page.

Expected CFP Action: CFPs are invited to participate in the session.

Session 4. Closing

Background: The closing session consists of a forward look to relevant meetings and the conclusions by the Chair. Should there be any resolutions, currently not foreseen, these will be addressed during the closing session as well.

Background documentations: A presentation will be available on the CF31 page.

Expected CFP Action: CFPs are invited to take note of the presentation and request clarification if needed.
