In a letter to the Bank dated November 11, 2025, the Program Entity has requested an amendment to the ERPA, to extend the termination date of the ERPA from December 31, 2025 to December 31, 2026, to allow sufficient time for completion of the second Emission Reductions Monitoring Report under the ERPA.

THEREFORE, we propose to amend the Tranche A ERPA as follows (“**Amendment**”):

- 1. Section 10.01 of the Tranche A ERPA shall be deleted in its entirety and replaced as follows:

Unless otherwise defined in this Amendment, all capitalized terms used in this Amendment shall have the same meaning as given to those terms in the Tranche A ERPA.

Unless expressly amended by this Amendment, all terms and provisions under the Tranche A ERPA shall remain unchanged and in full force and effect.
