

VIETNAM	FCPF	Government
Awareness	- Identify the term of “indigenous peoples”; ensure everyone understands ethnic minority = IP - Sharing information (govt and IP) - Meeting, dialogue with IP - Invite head of village to participate in awareness raising activities (invited to higher level discussions in govt and FCPF; eg district level, provincial level, etc) - Involve CSO in capacity building processes; better than relying only on government institutions	- Training for IP (FCPF allocate funds; govt implements); Disseminate REDD+; Climate change and forest protection - Print & publish document for awareness raising in IP language - Integrate activities on awareness raising into local cultural events - Ensure sufficient funding for awareness raising activities - Awareness raising activities: - o Organise meetings with IPs - o Communication - o Take part in processes - o training
Consultation	- Stakeholders: govt, donors, WB, with the monitoring of IP representatives -> group of IPs drawn from all over the country; serves as feedback mechanism - providing feedback from IPs to stakeholders - Consultation mechanism - Implemented at various levels; avoid consulting too many stakeholders; periodically (once a month) - Respect knowledge & desires/preferences of IPs re: REDD+ implementation (ensure ideas are incorporated in strategies, etc – use what is given) - FCPF can support between IPs and govt;	- Respect knowledge & desires/preferences of IP (ensure ideas are incorporated in strategies, etc – use what is given) - Discussion with NGO; sharing the process of building policies; include civil society - Invite various stakeholders (different agencies—e.g. youth, women, etc) to join; implementation in the long term; multiple times - Govt and other orgs play an active (collect and use information from consultation process) role in consulting with IPs; to get more info and share more info -> people can put their ideas in website
Representation	- IPs to participate in FCPF processes - Invite reps of communities to participate; invite qualified person; invite local IPs in FCPF decision-making processes => who represents IPs? → selected by IPs, not	- Invite reps of communities to participate; invite qualified person; invite local IPs in FCPF decision-making processes => who represents IPs? → selected by IPs, not government; those who are capable and competent; set good criteria for selection

	government; those who are capable and competent; set good criteria for selection	- System-based approach at various levels for policy-making (govt -> province -> district -> commune -> communities)
