

Strengthening Environmental Sustainability in the UNDP Programme and Operations Policies and Procedures (POPP)

September 2010

Approach

- Prescriptive policy statement
 - Enshrines environmental sustainability as a cross-cutting issue for all UNDP projects and programmes
- Environmental Screening
 - Application of screening tool for all projects and programmes
- Environmental Assessment
 - Applied when needed
 - EIAs for discrete projects
 - SEAs for programmatic, thematic, sectoral, regional projects
 - SEAs will follow OECD-DAC guidance
- UNDP's policy will recognise UN-REDD principles
